### Invention / Inventor PowerPoint Presentation

Create a digital slideshow (multimedia presentation) which describes an invention or inventor. The topic must be approved by your teacher.

The presentation must include at least 20 facts about the topic selected.

- You do not need to use complete sentences (use bullet points)
- Be sure not to plagiarize. Use your own words.
- You must use at least two online research tools from InofOhio.org
- You may use wikipedia.com

---

#### Evaluation:

	teach	self	peer
